

## Community Leaders Offer Mentoring Opportunities

Consider this offer. You can be mentored by a Harrisburg community leader. Board members of the Community Checkup Center (CCC), listed below, want to work with Harrisburg Leadership Area alumni/ae.

The goal of CCC is to attract potential board candidates interested in learning about board responsibilities and the Checkup Center. Just contact one of the people below; they will invite you to board meetings (8:30am the fourth Friday of the month) and subcommittee meetings.

*The Checkup Center is a non-profit clinic for women and children in Hall Manor (South Harrisburg) founded twenty years ago. The great majority of patients live below the poverty line, but no one is turned away for lack of money. ([www.communitycheckupcenter.org](http://www.communitycheckupcenter.org).)*
